

THE BENEFITS OF

Fucus Vesiculosus Extract

OUTSTANDING OUTCOMES

1

RICH IN VITAMINS

Fucus Vesiculosus Extract is rich in minerals, vitamins, and antioxidants that help to nourish and protect the skin.

REDUCES INFLAMMATION

It helps to reduce inflammation and redness caused by acne, eczema, and other skin conditions.

2

3

PROMOTES COLLAGEN PRODUCTION

It can help to reduce the appearance of wrinkles and fine lines by promoting collagen production.

BALANCES OIL PRODUCTION

It helps to balance oil production in the skin, making it ideal for those with oily or combination skin types.

4

5

NATURAL ANTISEPTIC PROPERTIES

It has natural antiseptic properties that help to keep bacteria at bay while cleansing the pores of dirt and debris.

A GREAT SOURCE OF IODINE

Fucus Vesiculosus Extract is a great source of iodine which helps to promote healthy cell growth and regeneration for a more youthful complexion.

6

7

DETOXIFY THE SKIN

It helps to detoxify the skin by removing toxins from deep within the pores, leaving your complexion looking brighter and clearer than ever before!
